

An invitation

TO REACH THE MOST COVETED AND EXCLUSIVE GROUP OF READERS.... ROLLS-ROYCE AND BENTLEY OWNERS VIA THEIR OWN MEMBERSHIP PUBLICATION.... MODERN CAR MAGAZINE

You are invited to advertise in Modern Car (formerly Modern Lady). With advertising dollars scarce, it makes sense to focus those funds on a loyal following. Compared to “prospecting” for new purchasers in other media, advertising in *Modern Car* makes eminently more sense. The publication has a long shelf life with readers and a high pass-through readership. Few publications offer access to such a qualified readership. And, none can offer that access for just \$700 per issue for a full-page color ad (based upon an annual contract for four issues).

Modern Car is published quarterly and offers a discount for full-year participation. I urge you to consider the benefits of advertising with us.

A bit of background...

The Rolls-Royce Owners' Club was founded in 1951. Today, the Rolls-Royce Owners' Club has more than 9,000 members worldwide. The RROC sponsors activities for members including a national meet, national driving tours, technical seminars and regional driving tours.

Under the by-laws of the RROC there are several special interest groups or societies that members may join. The Modern Car Society is one such society comprised of members with an interest in the “modern car”, namely, Rolls-Royce Silver Shadow and later motor cars. The *Modern Car* is the award-winning publication for owners and enthusiasts of the “modern cars”– Rolls-Royce and Bentley motor cars manufactured after 1966.
